## LEE'S SUMMIT WEST GIRLS BASKETBALL FREE THROW FUNDRAISER

The Lee's Summit West Titans Girls Basketball program is asking for help in funding our program through our Free-Throw-A-Thon! The players will be shooting 100 free throws on November 26. We are asking our supporters to consider pledging a small donation for each free throw that the player makes. This money is used for uniforms, balls, training equipment, travel expenses and other necessities. We thank you for your support of our program!!
